

Northrift News Privacy Policy

Last updated: August 06, 2020

Our Mission and the Scope of this Privacy Policy

At Northrift News Media we want you to have a great experience using our applications, websites, and related services (hereby collectively the “Northrift News Media”) While we are confident our App offers extra comfort to make you feel better, we also wanted to let you know that we value the privacy of individuals who use our App.

This privacy policy (the “Privacy Policy”) provides our policies and procedures for using and sharing information. This Privacy Policy governs your access of the Northrift News App, regardless of how you access it, and by using our App you consent to the disclosure and other uses described in this Privacy Policy. All of the different forms of data, content, and information described below are collectively referred to as “Information”.

Data Security

The security of any information is important to us. When sharing sensitive information we encrypt the transmission of that information using secure socket layer technology (SSL). We follow generally accepted standards to protect the information.

Privacy Concerning Children

Northrift News App is not directed to persons under the age of 18. As such, we do not knowingly collect personally identifiable information from children under 18. If a parent or guardian becomes aware that his or her child has provided us with Personal Information without their consent, he or she should contact us at info@northriftsolutions.com. Likewise, if we become aware that a child under 18 has provided us with Personal Information, we will take steps to delete such Information.

Changes to Our Privacy Policy

This Privacy Policy may change from time to time. If we believe such changes to this Privacy Policy are material, we will provide you with notice through the Northrift News App, by email, or other means of communication. We may provide notice of changes in other circumstances as well. By continuing to use the Northrift News App, you agree to be bound to this Privacy Policy and any subsequent updates we make to it.
